

PUBLIC NOTICE

TENNESSEE DEPARTMENT OF ENVIRONMENT AND CONSERVATION

Division of Water Pollution Control
7th Floor, L&C Annex
401 Church Street
Nashville, Tennessee 37243

PERMIT APPLICATION NUMBER: NRS 07.412

APPLICANT: A.E. Whalley, IV
135 Stanworth Grv.
Jackson, TN 38305
731-668-9314

LOCATION: corner of Beech Bluff Rd. and Calvin Drive
Madison County (lat35.61113/long88.72209)

WATERSHED DESCRIPTION: The proposed impacts would affect a WWC fed pond held in multiple ownership. The fact that the pond is not in single ownership makes it waters of the State.

PROJECT DESCRIPTION: The project would involve the removal of a section of the pond levee to allow the pond to recede from the affected property to make the lot buildable. Fill dirt may be used to level the pond site afterward.

More details on the proposal can be viewed on the Internet at
<http://www.state.tn.us/environment/wpc/ppo/arap>.

USGS TOPOGRAPHIC QUADRANGLE: Beech Bluff, TN(446-SW)

PERMIT COORDINATOR: [Brian Canada](#)

The permit application, supporting documentation including detailed plans and maps, and related comments are available at the department's address for review and/or copying. The department's address is:

Tennessee Department of Environment & Conservation
Division of Water Pollution Control, Natural Resources Section
7th Floor L & C Annex
401 Church Street
Nashville, TN 37243

No decision has been made whether to issue or deny this permit. The purpose of this notice is to inform interested parties of this permit application and to ask for comments and information necessary to determine possible impacts to water quality. Persons wishing to comment on the proposal are invited to submit written comments to the department. Written comments must be received within **thirty days of the date that this notice is posted**. Comments will become part of the record and will be considered in the final decision. The applicant's name and permit number should be referenced.

Interested persons may also request in writing that the department hold a public hearing on this application. The request must be filed within the comment period, indicate the interest of the person requesting it, the reasons that the hearing is warranted, and the water quality issues being raised. When there is sufficient public interest in water quality issues, the department will hold a public hearing.

In deciding whether to issue or deny a permit, the department will consider all comments on record and the requirements of applicable federal and state laws.
